Project Name	Inventory Management System for Retailers

User Login:

The screenshot shows a web browser window with the URL 127.0.0.1:5000. The page has a light blue background and a central white login form. The form is titled "Welcome back" and "Sign in to your account to continue". It contains fields for "Email" and "Password", both with placeholder text "Enter your email" and "Enter your password" respectively. Below the password field, there are links for "Forgot password" and "Create account". A checkbox labeled "Remember me next time" is checked. A blue "Sign in" button is at the bottom of the form.

New user Registration:

The screenshot shows a web browser window with the URL 127.0.0.1:5000/register. The page has a light blue background and a central white registration form. The form is titled "Get started" and "Start creating the best possible user experience for you customers.". It contains fields for "Name", "Company", "Email", and "Password", all with placeholder text "Enter your name", "Enter your company name", "Enter your email", and "Enter password" respectively. At the bottom of the form, there is a link "Already have an account? LOG IN" and a blue "Sign up" button.

Forgot Password feature:

The screenshot shows a web browser window with the address bar displaying `127.0.0.1:5000/verify_email_initial`. The page has a light blue background. In the center, there is a white box with the title "Forgot Password" and the subtitle "Enter your email id". Inside this box, there is a label "Email" above a text input field with the placeholder text "Enter your email". Below the input field, there is a link "Back to LOG IN" and a blue "Submit" button.

The screenshot shows the same web browser window and page layout as the first image. However, the white box now contains a red message: "We have e-mailed your password reset link!". Below this message, there is a label "Email" above a text input field that is now disabled (grayed out). The "Back to LOG IN" link and the blue "Submit" button remain at the bottom of the box.

Password reset link sent through mail:
