

## IMPLEMENTING WEB APPLICATION

Team ID	PNT2022TMID22388
Project Name	Inventory Management System for Retailers

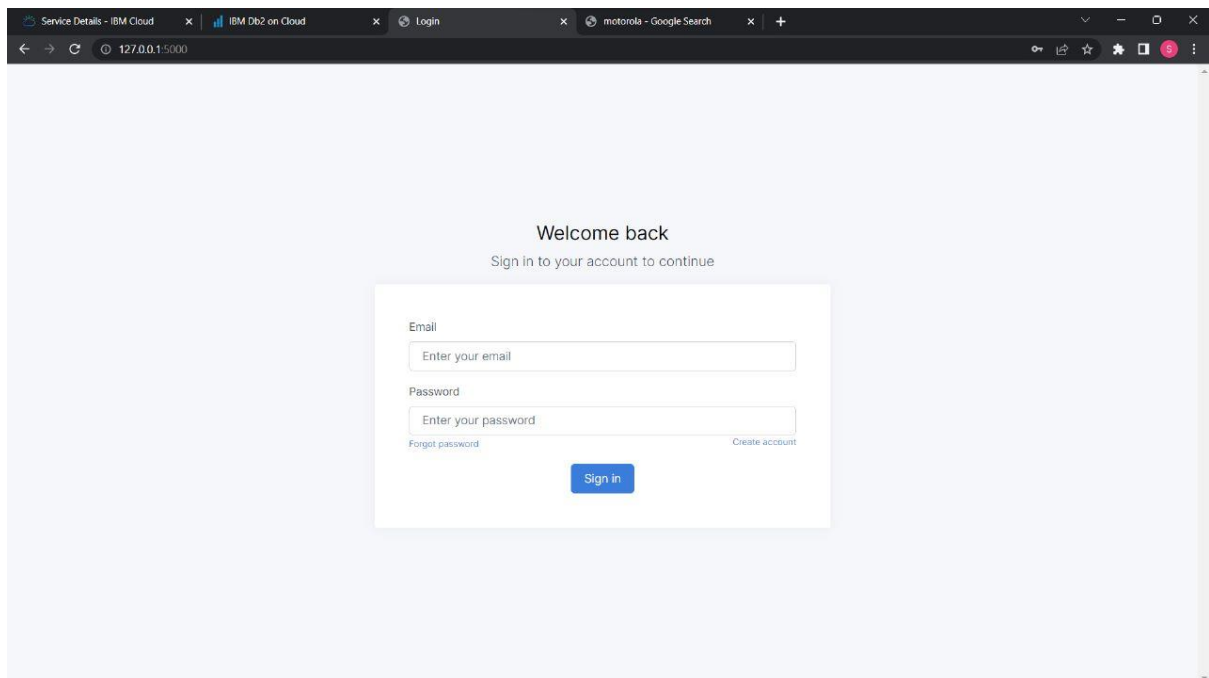

Create UI to interact with application:

### Registration Page

The screenshot shows a web browser window with the URL `127.0.0.1:5000/register`. The page has a light blue background. At the top, it says "Get started" and "Start creating the best possible user experience for you customers:". Below this is a white registration form with the following fields: "Name" (placeholder: "Enter your name"), "Company" (placeholder: "Enter your company name"), "Email" (placeholder: "Enter your email"), and "Password" (placeholder: "Enter password"). Below the password field, there is a link "Already have an account? LOG IN" and a blue "Sign up" button.

### Login Page

The screenshot shows a web browser window with the URL `127.0.0.1:5000`. The page has a light blue background. At the top, it says "Welcome back" and "Sign in to your account to continue". Below this is a white login form with the following fields: "Email" (placeholder: "Enter your email") and "Password" (placeholder: "Enter your password"). Below the password field, there are two links: "Forgot password" and "Create account". A blue "Sign in" button is at the bottom of the form.

## Dashboard Page

## Add Products page

The screenshot shows the 'Add Products' page. The left sidebar contains a menu with 'Dashboard', 'Items', 'Purchase Items' (selected), and 'New Sales'. The main content area is titled 'Items In Inventory' and contains a form with the following fields:

- Product Name
- Purchase Price
- Quantity
- Low Stock Limit
- Supplier Name
- Selling Price

A 'Submit' button is located at the bottom left of the form.

## Sales page

The screenshot shows a web browser window with the URL `127.0.0.1:5000/sales`. The application has a dark sidebar on the left with the title 'Inventory' and a menu with 'Dashboard', 'Items', 'Purchase Items', and 'New Sales' (which is highlighted). The main content area is titled 'Sales Items from Inventory' and contains a form with the following fields:

- Customer Name:
- Customer Email:
- Phone number:
- Product Id:
- Quantity:
- Submit:

## Products details

The screenshot shows the same web browser window, but the URL is `127.0.0.1:5000/items`. The sidebar menu now has 'Items' highlighted. The main content area is titled 'Items In Inventory' and displays a table with the following data:

Id	Supplier	Date	Product Name	Purchase Price	sale price	Stock	Total sale Price	status	Low stock limit	Actions
1	lenovo	2022-11-17 17:42:22.219421	lenovo ideapad 3i gaming	60000	67000	25	1675000	Instock	5	<a href="#">edit</a> <a href="#">delete</a>
